## Ref. Castellaro Golf Resort

Castellaro Golf Resort, nestled in the beauty of the Western Ligurian Riviera, amidst centuries-old olive groves and sea views, is an exclusive and established destination. The combination of a prestigious golf course, high-end amenities, and proximity to renowned destinations such as Sanremo and Imperia makes this property particularly attractive. We offer the exclusive sale of 60 recently built residential units, divided into one-bedroom and one-bedroom apartments, ideal for a secure and profitable investment, whether for personal use or for tourist rentals.

**Mission:** To offer high-quality real estate solutions in an exclusive context, enhancing the golf experience and the beauty of the Ligurian Riviera, guaranteeing a safe and prestigious investment for our clients.

**The Partnership:** Riviera Real Estate, a leader in luxury real estate and exclusive sales on the Riviera, guarantees a targeted and professional approach, maximizing the value of each individual unit.

### Housing Types:

**Studios:** Compact and functional living solutions, designed to maximize space and comfort. Ideal for singles, couples, or as a base for golfing/beach vacations. Custom furnishings are available.

**Two-room apartments:** Spacious apartments with separate living areas and bedrooms, perfect for families or those

seeking greater privacy and livability. Many units offer outdoor spaces (terraces or private gardens).

**Construction Features and Finishes:**

High quality materials and modern design.  
 Energy efficiency and thermal and acoustic insulation.  
 Cutting-edge technological systems.  
 View of the golf course, the sea or the valley (specify by type, if possible).

**Additional Services for Owners:**

Easy access to the resort's facilities (golf course, swimming pool, spa, restaurant, etc. - check which services are included for apartment owners).
